REQUEST A TRIAL

Onshape is the complete all-in-one product development platform.

Sign up below to get started with one of our solutions for professionals, students, or hobbyists.

Onshape Professional

Our commercial-tier plans will help your business speed up your time-to-market and also better protect your intellectual property. Onshape Professional unlocks private documents, formal release management, company-wide admin tools, enhanced data management, and other productivity features.

Request your **PROFESSIONAL TRIAL** →

Onshape Education

Onshape Education Plan is the best solution for academic settings. Onshape Edu gives students and educators access to everything from the basics to the advanced tools. Multi-part design, configurations, simultaneous sheet tools, standard content, and managed in-cloud design verification required.

Request your **EDUCATION ACCOUNT** →

Onshape for Makers

Onshape proudly supports the maker community with professional-grade CAD, available free for non-commercial projects in an open-source public work space.
